record. The Notice of Allowance was never forwarded to Applicants' representative and, as a result, was never docketed in Applicants' representative's docketing system. Accordingly, the Issue Fee was not timely paid within the three (3) month window following mailing of the Notice of Allowance due to this miscommunication between Applicants and Applicants' representative.

As noted above, Applicants also submit concurrently herewith payment of the Issue Fee in this case. Applicants respectfully submit that the above-identified application is in condition for issuance.

In view of the foregoing, Applicants respectfully request that the Commissioner grant this Petition to Revive and allow the above-identified application to issue. A check for the fee for this petition as required under 37 C.F.R. § 1.17(m) (\$1,500), in addition to the Issue Fee and Publication Fee (\$1,700), is enclosed herewith (total amount of \$3,200). The Commissioner is hereby authorized to charge any additional required fees to our Deposit Account 02-4377.
